

MASTER OF BUSINESS ADMINISTRATION (MBA)

The Master of Business Administration (MBA) is designed to provide experienced business professionals with flexible study options to enhance their knowledge and skills and also enhance their career prospects.

The MBA has a practical and interdisciplinary focus with the themes of teamwork, sound and ethical decision making, and strategic planning being key features of the program.

The MBA culminates in a strategic management capstone project where research skills are consolidated and applied to a strategic business problem.

CHOOSE HOW YOU WANT TO STUDY

The program is taught on IBBM campus via small class intensive teaching sessions on FRIDAYS, and is also offered fully online, or any combination that suits your complex life circumstances over the duration of the program.
