
Understanding Financial Statements

customerservice@ibbm.com.pg

Everyday businesses deal with budgets and financial reports in some form or fashion. At minimum, business managers review budget numbers and run financial reports for decision-making and reporting to shareholders once a month. Many Companies devote the last few months of the calendar year to creating budgets for the next calendar year. In addition, organizations create and disseminate year-end financial reports to investors.

Modules

- What is Finance?
- Identify financial terminology
- Understand financial statements
- Identify how to analyze financial statements
